Posted Tuesday, August 13, 2013 --- 6:34 p.m.

The Boys and Girls Club of Dane County will receive a \$95,000 donation from the University of Wisconsin- Madison Department of Athletics.

According to a release, the money will be used to assist children with academic and life skills support, and child safety programs.

The club will also use the funds to support a five-year plan to ensure students graduate from high school and receive a post-secondary education, according to the release.

The donation money comes from football bowl game money that would have been distributed to Penn State if the school had been eligible to receive it.

The UW Athletics Department will present the check to the Boys and Girls Club on Friday at the Taft Street location at 11 a.m.
