

COVID-19 Community Emergency Fund

Sponsored By: Boys & Girls Clubs of Dane County, Selfless Ambition and United Way of Dane County

Final Results

\$425,000 was raised and distributed to cover the essential needs of youth, individuals and their families affected by COVID-19. Through the generosity of hundreds of individuals, we were able to address the following funding priorities.

42,988 Meals for Kids Due to School Closures

"People are getting food who otherwise might not have been able to access food." -YMCA of Dane County

604 Medical Supplies for Those Impacted by COVID-19

"We were able to develop a health screening for each of the 100 men who stayed at the facility to prevent the spread of COVID. We also were now able to provide virtual nurses to conduct evaluations as needed."
- Porchlight, Inc.

16,424 Meals for Senior Citizens

119 Medical Supplies and Services for Senior Citizen

"This whole experience would have been much more challenging had we not had good working relationships in place with other providers. While we have always believed in the power and spirit of collaboration, having those relationships in place made it much easier to function under unwieldy circumstances."
- Colonial Club

40,960 Meals for Adults and Children

74,492 Care Boxes

"Bayview Foundation would not have been able to pivot to meet its resident's food needs without the immediate funding from the Boys & Girls Club of Dane County."

7,901 Emergency Assistance for Shelter, Rent & Utilities, and Supplies

61 Meals and Rental Assistance for College Students

"Receiving COVID-19 Emergency Funds has considerably helped my financial insecurities in this time. Knowing that I can now pay my rent and have food has given me tremendous peace of mind and has allowed me to focus on my studies."

BOYS & GIRLS CLUBS OF DANE COUNTY

Totals based on average size of families from reports that have been submitted.
