Celebrating over 20 years of serving youth, families and communities
Dear Community Friend and Supporter,

What a year it has been! We held the grand opening of our largest investment ever with the McKenzie Family Boys & Girls Club, continuously worked to overcome obstacles from the COVID-19 pandemic, and launched new efforts to provide our services both online and in-person.

Since March 2020, we’ve experienced overwhelming encouragement, trust, and support from our community. When the pandemic hit, we reimaged how BGCDC would serve the needs of young people, individual and families affected by COVID-19. In response, we were met with a community that showed us what was important to them and together we learned to lean on one another in our time of greatest need… THANK YOU.

Through YOUR generosity, we:

• Distributed much needed funds to 39 local area non-profits
• Supported COVID-19 relief efforts through our MOVE4BGC Campaign
• Empowered 6,312 youth
• Rallied support for downtown businesses

We need YOU now more than ever. We remain firmly committed to our mission – “to inspire and empower all young people, especially those who need us most”. Join our movement to help support Dane County youth today and in the future. On behalf of our members, families and community, THANK YOU for your monetary gift.

With Warmest Regards,

MICHAEL JOHNSON,
